# ENGLISH LANGUAGE COURSES

To satisfy a wide range of demand of schools, colleges, universities and industry Riga Technical University (RTU) is offering two English Language course programmes for students, academic and administrative staff of organizations according to their knowledge and learning objectives:

- General English
- Intensive English

## General English Foundation Semester / Year

### Key aspects of learning

- Practical communication to build up vocabulary and develop fluency and confidence.
- Speaking, listening, reading and writing skills, naturally including grammar.
- Confidence and skills you need to communicate in the day-to-day work.

## Intensive English (Communication)

### Key aspects of learning

- Improve your all-round English language ability and develop your fluency and communication.
- Practise the English language through discussions, debates and conversation activities, such as role-play and pair-work
- Focus on the individual needs and on those who want to make fast progress and become more confident in speaking.
