CHANGING OUR WORLD

UCF Global’s Online English Program is modeled after our well established Intensive English Program with over 30 years of success. We offer a high-impact curriculum with content created to meet learner needs, and enhance language acquisition in core language subjects. Consider yourself a UCF #GlobalKnight from day one! We want you to enjoy all that America’s second largest university has to offer.

WHY UCF?

UNIQUE EXPERIENCES

Our self-paced innovative online curriculum allows for students seeking an excellent education from a distance to have the same experiences as those on campus, but with more flexibility. Additionally, you will participate in one-on-one conferences with instructors two times per week. The OEP is designed to enhance your personal development while allowing you to have a more affordable learning option.

PROGRAM STRUCTURE

Each session, students will engage in two combined courses addressing six language skills: **RWG**: Reading/Writing/Grammar and **LSP**: Listening/Speaking/Pronunciation.

Lessons include oral and written material, first language support as needed, and a variety of multimedia and visuals to supplement the learning experience. These will also include live and recorded classes. Our formula for success is shown below:
