ABOUT THE I&V-PHD COMPETITION

The first edition of the Competition **I&V-PhD** will be organized on Saturday **May 21, 2022**, during the days of the 2022 Doctoral School Science & Technology (JEDST'22): <http://www.enis.rnu.tn/fra/pages/427/Journées-EDST>

The Competition **I&V-PhD** aims to promote innovation and valorization of scientific research. It is reserved for young researchers whose PhD research project have innovative and entrepreneurial results. This Competition encourages these PhD researchers to showcase aspects as valorization, innovation, and economic impact of their PhD research works. They will have to prepare a 5mn video to show these aspects and clear steps that should be undertaken towards its promotion (e.g., start-up, technology transfer, MOBIDOC, patent, etc.)
