

Students News at the National School of Electronics and Telecommunications of Sfax “E.N.E.T’Com”

Hello My name is **Eya Hafsi SAADAoui** and I'm a second-year electronics and communications Engineering student. It's my honor to announce that I have been selected as a delegate of the Asia Youth International MUN (AYIMUN) Conference that will be held in Kuala Lumpur, Malaysia on 30 September – 3 October 2022. This Event is in partnership with UNICEF and UNESCO. It is one of the most popular conferences in the World which aims to create a brighter future for our world and talk about many issues.

I feel honored as well because from many applicants in the whole world, I have been selected to become part of them! The most important thing, my participation in Asia Youth International MUN (AYIMUN) Conference will be a golden opportunity for me to develop myself and explore my utmost potential. And what makes me happy is that I will represent my Country **TUNISIA** and also my university "**ENET'Com**" and talk it in front of +500 leaders and influencers in the world.

I want to thank Asia Youth International MUN (AYIMUN) for believing in me! And a special thank goes to Mr **Chokri ABDELMOULA** the Director of ENET'Com who congratulated me and contributed to spreading these good news!!

Thank you for your kind attention!!
